**Jeremiah 33:3** –what does God say will happen if we call out to him?

Do you believe this?

How could this be helpful to you?

**John 15:7-8** – What reason does this passage attribute to why Jesus wants us to pray?

What does it mean to "bear fruit"?

What does that look like in our lives?

**John 16:24** – Jesus tells us when we ask for things in His Name, our joy is made complete. What does this mean? How is our joy made complete through prayer?

How does this affect our lives?

To do: Pray each day this week and remind yourself that God says he hears you.
